Merry Christmas

The Kuwaa Mission was founded in 2008 to help the Kuwaa people rebuild after years of civil war. The Kuwaa people live in 16 remote villages in the Belle Forest of Liberia and lack the basic necessities of life. Due to their remote location and inaccessibility, the people have had very little assistance, and they had begun to lose hope.

Nine wells have now been dug by the Kuwaa Mission, and numerous water filters have been provided to purify the stream water. With clean water, they are healthier and more able to help themselves. A clinic is also being built to provide basic health care. The people are regaining hope for a better life.

The gift given in your honor will enable the Kuwaa Mission to continue efforts to help the Kuwaa people rebuild their lives through sustainable projects.

The purpose of the Kuwaa Mission is to help the Kuwaa People rebuild their lives and village communities, by providing drinking water, sanitary facilities, medical facilities, schools, churches, and other community needs.
